

# NEXTGEN

DIGITAL SCHOOL OF BRITAIN

*Building Future Leaders*

The best alternative for homeschooling

ACADEMIC EXCELLENCE

VALUES & ETHICS

STUDENT LIFE

## Welcome to NextGen Digital School of Britain

NextGen is a fully online, independent British school operating under The Academy of eLearning – Britain (UK), delivering the UK National Curriculum from Primary to Sixth Form. The school focuses on academic excellence and values-based education, supporting students' holistic development and future success.

## Educating Minds. Building Character. Shaping the Future.

### Our Core Pillars :

The foundation of the NextGen difference is built upon three core philosophies:

#### Academic Excellence

- UK National Curriculum enhanced with digital learning.
- Interactive smart classrooms and project-based learning.
- Highly qualified teachers in online education
- Individual progress tracking and academic support

#### Values & Ethics

- A respectful, inclusive, values-driven environment.
- Strong focus on integrity and digital responsibility.
- Leadership and community engagement programmes.
- Emotional intelligence and student wellbeing.

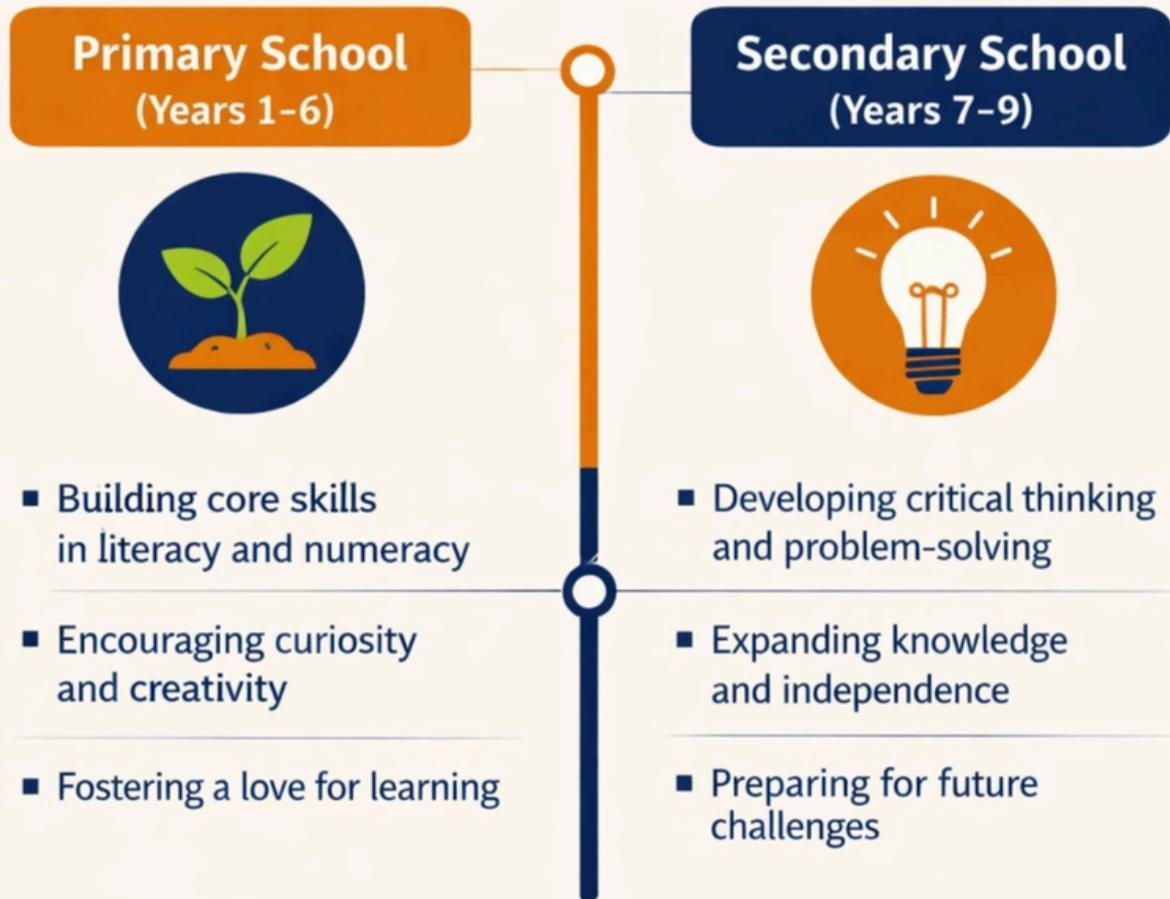

#### Student Life

- Innovation, Robotics, and Tech Clubs.
- Digital arts, sports, and creative activities.
- Educational trips and industry exposure.
- Student voice through podcasts, blogs, and media.

# Laying the Foundations

# The NextGen Advantage

---

## Holistic Wellbeing

---

Nurturing mind,  
body & character  
for balanced growth.

## Future-Ready Skills

---

Innovative learning  
for the careers  
of tomorrow.

## Global Community

---

Connecting students  
to a diverse,  
international environment.

At NextGen, we offer more than online education.

We provide a balanced learning experience that nurtures academic achievement, personal wellbeing, and global awareness—empowering students to thrive with confidence and purpose.
